A SITUATION REPORT ON OUR ACQUISITION OF ADVANCED TECHNOLOGY AND INTERACTION WITH ALIEN CULTURES

by O.H. KRILL

Observations by a Visiting Nordic

In October, 1987, UFO researcher George Andrews was successfully able to contact one of the Nordics not associated with the Greys, through a woman in California. What follows are the comments made by the alien:

"Were you a culture about to invade, you would not do it with a flourish of ships showing up in the heavens and undergo risk of being fired upon. That's the type of warfare slightly less evolved beings get into. You would create intense confusion and disagreement with only inferences to your presence -- inferences which would [in turn] cause controversial disagreement.

"The Greys are insidious little fiends. They did exactly [to us] what they're doing here [to you]. You are not on the verge of an invasion. You are not in the middle of an invasion. The invasion has already taken place. It's merely in its final stages.

"What would you invade? [Here he describes the operational plan of the Greys from the beginning.] You would go to the most secret of communities within a society. In the case of the United States, you would go and infiltrate the CIA. You would take over some of them and you would take over part of the KGB.

"You would create great dissension and disagreement between factions of the public at large -- some groups saying they have seen UFOs, others saying 'No, no, this is not possible.' You would involve two major countries in an on-going idiotic philosophical disagreement so that while the Soviet Union and the United States constantly battle back and forth about who has which piece of territory or whether one invades Iran or whether one invades Afghanistan or whatever... whether one dismantles one nuclear warhead or the other dismantles another group of warheads -- you would sit back and laugh if you had the capacity to laugh.

"You would present yourself indeed to some in a group who would protect you [CIA or MJ-12] thinking they had a secret more secret and more perfect knowledge of something than anyone else on this planet had, and they would covet you and you would trust their own greed and you would trust their own mass stupidity to trap them. And you'd do it on both sides.

"You'd show yourself to some of the mass populace to further involve [factions of] the government in an attempt to shut them

up, to keep them even more busy quieting them and trying to 'stop more information about UFOs from getting out.' You'd have the mass populace to a state where they distrusted the government. 'Oh, why don't they believe us? Why can't they understand that these things are really happening? We're not crazy!'

"So you would have battles constantly about whether UFOs exist or they don't exist. You would have the public and the government at each other's throats. You would set two major superpowers at each other's throats. And you would have set up groups like 'haves' -- the wealthy but contented -- and the 'have-nots.' You would plant the seeds of massive discontent.

"Eventually you might have some show of ships landing in the 1990s. One or two. By the time they have landed, be assured they will be in complete control. You will start doing crossbreeds and more crossbreeds, generation after generation.

"You bribe the government with a few tidbits -- a Star Wars system. You tease and tempt the Soviet Union with a laser system far finer than any of their own scientists could think of. And you always have that subtle inference -- just on the borderline of consciousness so that UFOs don't seem to believable, yet you keep it couched in secrecy and make it seem quite so insane that no one would believe them. On top of it, you would unleash forces that would want to kill them [UFO contactees] if they disclosed that the CIA is dealing with the exact same things the [contact victim] is.

"Maybe one or two hundred years from now, some of the Greys will even physically mingle and you may have some creatures walking around who are pretty much hybrids between Greys and your own race. For now, anything that walks around will look much like yourselves. It's simpler. It holds down on mass panic.

"Everyone who has experiences with them [Greys] will be at odds with the government. To add to that, we will go into a complete phased of earthquake after earthquake and upheaval after upheaval.

"The inner core of the CIA is deeply controlled by the Greys. The CIA sees interaction with the Greys as a path to greater scientific achievement.

"One reason you are seeing so many different kinds of UFOs is that other cultures are watching with extreme interest. Scientists from other cultures arrive to watch. The Greys have not only taken over the intelligence agencies, they have also taken over what those agencies call 'lunatic fringe groups.'"

Well, that's what they Nordic had to say. The source of this also makes the following commentary:

"The ultimate evil is that masked form of psychological complacency that leads one to adhere to a group philosophy rather than eke out one's own horizons. As soon as you acquire an awareness of being a so-called 'chosen special group,' you are on the way to a fall. That is the seed of destruction in any society and any culture and it leaves it vulnerable. It will be the

eventual undoing of the Greys as well. They see not their error -- it is the very weakness they seize upon that is their own inherent weakness. To try and change a Grey, or a cultish type of 'Star Person,' or a CIA member is futile. It will happen, but all in its own good time... it is the spirit that makes anyone stand up and disagree with something that is untrue and incorrect that will be the thorn in the side of the Greys, and the other forces that have allied with them."

During the occupation of the Greys, they have established quite a number of underground bases all over the world, especially in the United States. One such base (among others in the same state) is under Archuleta Mesa, which is about 2.5 miles northwest of Dulce, New Mexico. Details about that base have come across by way of two sources. The first source is by way of an abduction of a woman and her son who witnessed the pickup of a calf for extraction of biological materials.

"In May, 1980, a most interesting case occurred in northern New Mexico. A mother and her son were driving on a rural highway near Cimarron when they observed two craft in the process of abducting a calf. Both of them were then abducted and taken on separate craft to the underground installation, where the woman witnessed the mutilation of the calf. It was alleged that she also observed vats containing cattle body parts floating in a liquid, and another vat containing the body of a male human. The woman was subjected to an exam and it was further alleged that small metallic objects were implanted into her body as well as into her son's body. More than one source has informed us that catscans have confirmed the presence of these implants."

The above extract is from a transcript of a conversation between Jim McCampbell and Dr. Paul Bennewitz on July 13, 1984. Bennewitz reports that through regressive hypnosis of the mother and child (required only in about 30% of abduction cases)and his own follow-up investigation (including communications receive via his computer terminal, which are ostensibly from a UFO-related source), he was able to determine the location of the underground facility: a kilometer underground beneath Archuleta Mesa on the Jicarilla Apache Indian Reservation near Dulce, New Mexico (since 1976, one of the area of the U.S. hardest hit by mutilations). Bennewitz' information is that this installation is operated jointly as part of an on-going program of cooperation between the U.S. government and EBEs.

There are also underground bases at Kirtland AFB and Holloman AFB, as well as at scores of other bases around the world, including Bentwaters, England.

Back to the base under discussion.... After Bennewitz briefed Air Force officials on what he had found, a trip to the area revealed the following data:

The base is 2.5 miles northwest of Dulce, and almost overlooks the town. There is a level highway 36 feet wide going into the area. It is a government road. One can see telemetry trailers and buildings that are five-sided with a dome. Net to the domes, a black limousine was noted -- a CIA vehicle. These limos will run you off the road if you try to get into the area. To the

north there is a launch site. There are two wrecked ships there; they are 36 feet long with wings, and one can see oxygen and hydrogen tanks. The ships that we got out of the trade are atomic-powered with plutonium pellets. Refueling of the plutonium is accomplished at Los Alamos. The base has been there since 1948.

Some of the disks are piloted by the NSA. The base is 4,000 feet long and helicopters are going in and out of there all the time. When it became known that Bennewitz was familiar with this, the mutilations in the area stopped. In 1979, something happened and the base was temporarily closed. There was an argument over weapons and our people were chased out. The aliens killed 66 of our people, and 44 got away.

One of the people who in fact got away was a CIA agent who, before leaving, made some notes, photos, and videotapes, and went into hiding. He has been in hiding ever since, and every six months he contacts each of five people he left copies of the material with. His instructions were that if he missed four successive contacts, the people could do whatever they want with the material.

This agent calls an individual known to MUFON. Somehow, a description of the "Dulce Papers" was issued, and was received in December, 1987, by many researchers. The "Dulce Papers" were composed of 25 black and white photos, a videotape with no dialogue and a set of papers that included technical information regarding the jointly occupied (U.S.-Alien) facility one kilometer beneath the Archuleta Mesa near Dulce, New Mexico. The facility still exists and is currently operational. It is believed that there are four additional facilities of the same type, one being located a few miles to the southeast of Groom Lake, Nevada.

"A general description of what these papers contain is that they contain documents that discuss copper and molybdenum, and papers that discuss magnesium and potassium, but mostly papers about copper. Sheets of paper with charts and strange diagrams. Papers that discuss UV light and gamma rays. These papers tell what the aliens are after and how the blood (taken from cattle) is used. The aliens seem to absorb atoms to eat. They put their hands in blood, sort of like a sponge, for nourishment. It's not just food they want; the DNA in cattle and humans is being altered. The 'Type One' creature is a lab animal. They know how to change the atoms to create a temporary 'almost human being.' It is made with animal tissue and depends on a computer to simulate memory, a memory the computer has withdrawn from another human. Clones. The 'almost human being' is slow and clumsy. Real humans are used for training, to experiment with and to breed with these 'almost humans.' Some humans are kidnapped and used completely. Some are kept in large tubes, and are kept alive in an amber liquid.

"Some humans are brainwashed and used to distort the truth. Certain male humans have a high sperm count and are kept alive. Their sperm is used to alter the DNA and create a non-gender being called 'Type Two.' That sperm is grown in some way and altered again, put in wombs. They resemble 'ugly humans' when growing but

look normal when fully grown, which only takes a few months from fetus-size.

"They have a short life span, less than a year. Some female humans are used for breeding. Countless women have had a sudden miscarriage after about three months' pregnancy. Some never know they were pregnant, others remember contact some way. The fetus is used to mix the DNA in types one and two. The atomic makeup in that fetus is half human, half 'almost human,' and would not survive in the mother's womb. It is taken at three months and grown elsewhere."

****

Well, that's what the "Dulce Papers" review says. There are some pen and ink reproductions of some of the photos made in the laboratories (3), an illustration of what one of the wombs looks like (2' x 4'), an illustration showing one of the tubes where one of the "almost humans" is grown, a page showing a simple diagram of crystalline metal, pure gold crystal, and what looks like either a genetic or metallurgical diagram or chart. Also attached is what looks like an x-ray diffraction pattern and a diagram of hexagonal crystals, with a comment that they are best for electrical conduction.

It would appear that the last half of material in the "review" applies to the supercrystalline metal used for hull structure, or something along that line.

Obviously, this is all rather bizarre from a certain point of view -- any point of view, in fact. Nevertheless, material that is supported by years of descriptions and multitudes of corroborations must mean something, especially when bumped against what is seen to be going on.

It is apparent from this and other data that has been accumulated over the years, that there are underground bases and tunnel complexes all over the world, and that more are being constructed all the time. Many of you may recall the "Shaver" mysteries and inner-earth city stories. Well, all that is true. There are cities down there, amongst other things, and some of them have nothing to do with the main subject of this paper. They've been there for a long time.

Let's change direction for a moment. One individual by the name of Lew Tery has been working on some ideas regarding UFOs and geomagnetic anomalies. I will go into what he has discovered (although the concept of the relationship is not new) and let you judge that for yourself.

After purchasing aeromagnetic and gravitational anomaly maps from the United States Geological Survey, it becomes evident that there was indeed a valid connection between these areas and UFOs. Mr. Tery gave a lecture in Arizona about that relationship, and

was subsequently harassed by the FBI, and told that the information is "sensitive." Mr. Tery took the hint and declined to talk publicly about it to the degree that he had been doing.

Both the aeromagnetic and gravitational (Bougier Gravity) maps indicate basic field strength, as well as areas of high and low field strength. Interestingly enough, the areas of maximum and minimum field strength have the following:

- All have frequent UFO sightings.
- All are either on Indian Reservations, government land, or the government is trying to buy up the land.
- Many of them, especially where several are clustered together, are suspected bases areas and/or areas where mutilations and abductions have historically taken place.

In these observations, Mr. Tery has gone far, but he has gone a little farther in noting that there are times when the UFOs are seen in these areas. Through painstaking research, Mr. Tery found that the sightings, as well as many abductions and mutilations, occur:

- On the new moon or within two days before the new moon.
- On the full moon or within two days before the full moon.
- At the perihelion (moon closest to earth) or within two days before the perihelion.

A glance at the nearest farmers' almanac will give you the information you require as far as the days for this year or any other one. There seems to be no concrete explanation for the coincidence of the times and the events, but it is true.
